

Virtual Consultation CHECKLIST

Please provide us with the information below so that we can make your virtual consultation as simple as possible. When we receive your information an SVB specialist will reach out to schedule your virtual consultation.

- A photo of each room you would like to discuss**
Name each photo accordingly (i.e. master bedroom, dining room, kitchen, etc.). Please turn on lights and/or open blinds prior to taking photos.
- Measurements for each room** (i.e. 10x12, 18x20, etc.)
See examples of how to measure below.
- Whether each room is a refinish or an installation**
If an installation, will you be matching to an existing floor?
If yes, please provide a picture of the matching floor.
